spirits by design

when a spirit becomes y*our spirit

About Us…

Spirits by Design is a young, fresh and Belgian company! Joining together the youngest distillers in Belgium, with the experienced master distiller: New taste and techniques meet expertise.

CEO:

- Tim Veys (Sommelier Conseil – Université du Vin Suze-la-Rousse)

Administration:

- Caren Colman

Sales / Export Manager:

- Vincent Schietse (Sommelier – Flemish Wine Academy)

Our Mission

Spirits by Design wants to be the best in small batch, handcrafted premium spirits, ready-to-drink (RTD) and (carbonated) soft drinks (CSD).

We are specialized in translating the needs and ideas in a high quality beverage.

Our Vision

Spirits by Design wants to be the number one partner, in Belgium and abroad, for people who are trying to get there creative ideas into a high quality, tasty liquid form. Be it alcoholic or non alcoholic.

Our Strategy

“Patience is a form of wisdom.
It demonstrates that we understand
and accept the fact that sometimes
things must unfold in their own time.”

Our Services

Spirits by Design is specialised in developing different kinds of high quality spirits and beverages.
Our partners have to meet our expectations on every level of the production process.
To keep this high standard we keep innovating and renovating.

Our Distillery

Distillery Leukenheide, founded in 1832, has become our preferred partner for commercial productions of spirits.

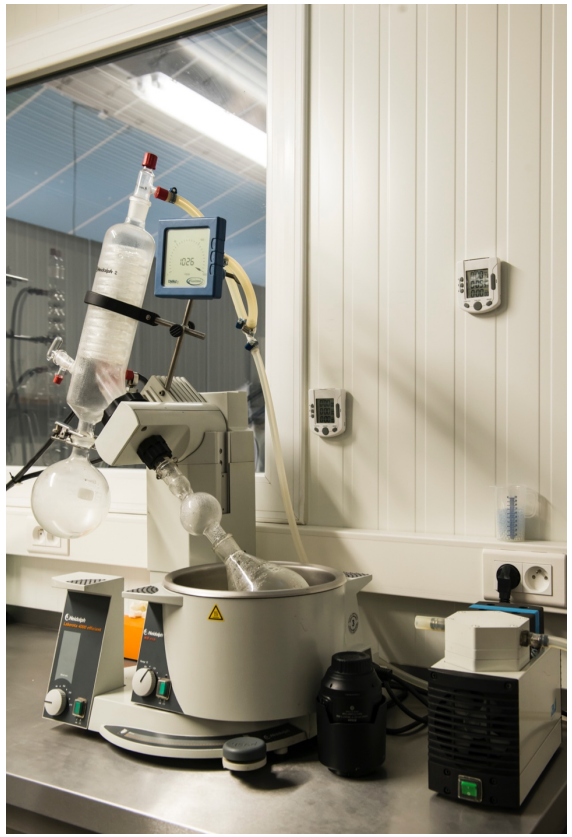
ECOLOGICAL



We only use filtered rainwater to cool our test equipment and we are running tests with vacuum distillation which results in lower energy use due to lower temperature distilling.

Some figures

Capacity per day: NOW: 1,600
Q3: 3,000

Lead-time first order: 6-8 weeks
depending on volume & references
in case of changes to packaging, please take extra lead-time in concern.

Lead-time next orders: 3-6 weeks
possibly shorter with forecast

Short term investments distillery

Q3:

Currently, the distillery is being partially renovated. This will create more room to put our brand new stills. It will also upgrade capacity and decrease lead-time significantly.

FOOD & HEALTH CERTIFICATION

FAVV

Spirits by Design is certified and under the control of FAVV, the Belgian Federal Agency for Health & Food Safety.
This certificate covers production as well as bottling and packaging.
All our partners involved in our production chain have the same certification.

TRACEABILITY

Our products are traceable through the lotnumber printed on the bottles and can be linked to all used ingredients and their respective production dates through our internal production documents.

Certificates

Spirits by Design is proud to be HIB-certified, as one of only two spirits producers in Belgium.
Handmade In Belgium label stands for authentic, handcrafted products of superior quality with an undeniable typicity of the producer.
Additional requirements: + 50% handcraft (75% in our case)
100% produced in Belgium

The jury handed out the label after a selection period of several months.

Thank you for your interest in our company!
